# **Previewing Art Palm Beach 2025 with Provident Fine Art, Steidel Contemporary, and Mattsons Fine Art**

As summer is upon us, we hope yours has started in great fashion. Our team at Art Palm Beach is diligently working to plan for the upcoming 2025 show, which will take place at the Palm Beach County Convention Center from January 22-26. Producer and director Kassandra Voyagis and her team are curating a diverse selection of galleries from around the world.

This month, we are highlighting three galleries that participated in the February 2024 edition and have confirmed their return for the 2025 show. Provident Fine Art from Palm Beach, Steidel Contemporary, based in Lake Worth, Florida, and Mattsons Fine Art from Atlanta, Georgia, are all offering a unique perspective on the region's thriving art scene.

We continue to collaborate with these galleries and reach out to new participants worldwide, remaining dedicated to our mission of providing a platform for artists, galleries, and collectors to connect and engage with the best in contemporary and modern art. Our goal is to showcase a wide range of galleries, artists, and artworks that reflect the diversity and creativity of the global art community at Art Palm Beach 2025.

## **Mattsons Fine Art**

### *Showcasing Contemporary Sculpture and Glass Art*

Mattsons Fine Art, founded by Greg Mattson, specializes in contemporary sculpture and glass art. Mattson's fascination with glass began in the early 1990s, inspired by the works of Art Nouveau artists such as Gale, Lalique, and Tiffany. He developed a deep

appreciation for the fragile, brilliant, and malleable qualities of glass, as well as a passion for metal working in various contexts.

The gallery represents a diverse range of contemporary artists whose works embody the essence of fine art, including several successful Polish artists, such as Miroslaw Stankiewicz, Rafal Galaka, and Maciej Zaborski. In recent years, the gallery's glass collection has expanded to include works by accomplished contemporary artists like Alexis Silk, Christopher Jeffries, Mark Lewanski, Deanna Clayton, and James Wilbat. As Mattson's appreciation for metal as a medium has grown, so has his representation of artists such as Gary Traczyk and Theodore Gall.

With a keen eye for quality and a dedication to promoting exceptional contemporary art, Mattsons Fine Art continues to be a leading destination for collectors and enthusiasts of sculpture and glass art.
