FEATURED EXHIBITION HIGHLIGHT: **Mark Eisen Sculptures**

Presented by: Modern Fine Art

Booth: 800

Modern Fine Art is proud to debut the world premiere of artist Mark Eisen's breathtaking wall sculptures. These six mirror-polished stainless-steel sculptures, never before exhibited, are a testament to Eisen's mastery of minimalism and innovation. His work emphasizes pure forms and explores the dynamic interplay of reflectivity, concavity, and convexity.

Having spent the last decade of his life perfecting this collection, Eisen collaborated with world-class fabrication partners across California, New York, and Europe to bring his artistic vision to life. His sculptures, rooted in Bauhaus principles, evoke a sense of hope and joy, celebrating beauty in its purest form.

Be among the first to witness these extraordinary pieces that stand as the crowning achievement of Eisen's remarkable career.
